

# Wool CE VA Primary School Magazine

Rooted in the community to grow and flourish

The parable of the Mustard Seed, Matthew 13:31-32

# A message from Mrs Griffiths

Hello everyone and welcome to another edition of Wool Primary School Magazine!

Our summer term has started very differently to normal and yet has been just as busy! I love reading all the emails that you are sharing and it is great to see the photos of the children learning. What always strikes me are the many grins that are apparent on their faces! In a time of national crisis, I think it is exceptionally important to recognise how positively you are all responding. This is reflected in the smiles on your children's faces and I want to thank you yet again for all your efforts.

As you know, school has remained partially open and staff have continued to provide care for some children. We hope you have enjoyed seeing the rainbows appearing in classroom windows and along the fence of the front playground.

This week, I would like to ask the children to take part in something that we hope will enable them to unite with other people within our community. One of our school values is 'faith' and we would like to create some Prayer Bunting to hang somewhere where we hope people walking past will see it. Therefore, **please can you ask your child/ren to write a prayer and then email it to me or the school office.** I will then print these out, laminate them and use them to create our bunting. It would be fantastic if our string of prayers could bring hope as it stretches across the front of our school!

I hope you have a restful weekend,

Emma and Mr Charman as St George and the Dragon

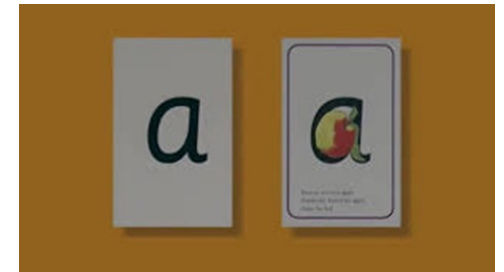

# Oak Class

## Reception

Welcome to Oak Class  
Class Teacher: Mr Charman  
Teaching Assistant: Miss Plewka

RWI—Set 1 Sounds

### The School for Superheroes is open!

Hello Oak Class.

You are all superheroes. Superheroes work hard to help others and improve themselves. Let me know what you do to help others and what you are learning.

Easter is over and I wonder superheroes if you have eaten all your eggs? I know you took part in Easter egg hunts of one sort or another and some of you made an Easter egg hunt for family members. Thank you to those of you who sent me a map showing me where you had hidden the eggs - I will be along to hunt for them when I can leave my house!

April 23rd is St George's Day. St George became a hero after he saved people from something horrible. Have you helped anyone recently? Make sure you help somebody every day - you will feel good inside and make the people you have helped feel good. Have you been training to keep yourselves fit and healthy? You need to be healthy if you are to help people, so stay fit.

A message from Mr Charman

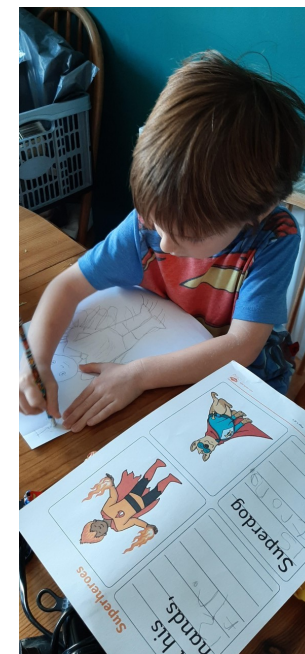

Ollie has designed a superhero and wore his own superhero uniform to do some super maths work. Well done Ollie!!

Alex has done some beautiful art work this week. Well done Alex!

Isaac has been learning about St George and the Dragon this week. He has also been very brave before sliding into the pool. Well done Isaac

Oak Class

# Ash Class

Year 1

Welcome to Ash Class  
Class Teacher: Miss Snooks  
Teaching Assistant: Mrs Dacre

RWI—Set 1 Sounds

RWI—Set 2 Sounds

Here are some pictures of hopscotch for sounds, red words and nonsense words. Great idea to do outside! Have a go and send in any pictures of you doing it.

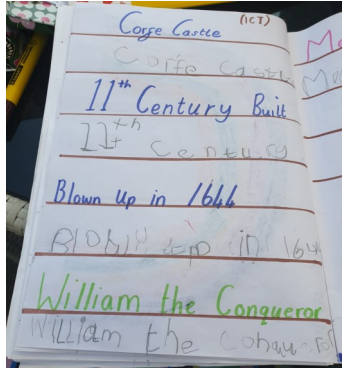

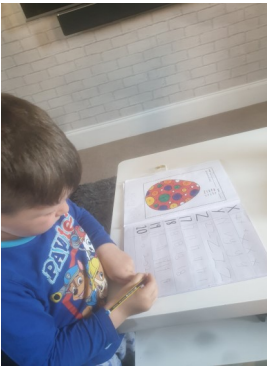

## A message from Miss Snooks

I hope you all had a lovely Easter holiday and enjoyed eating delicious Easter eggs.

I have really enjoyed speaking to you all on the phone and seeing all your pictures of your fantastic home learning.

I hope you enjoy learning all about our new topic 'Rainforests'.

Riley has been working really hard on his maths work and writing. Great info on Corfe Castle. Looks like you had loads of fun swimming. Well done Riley!

Logan and his family have made a very colourful and fab sign to support our NHS. Well done everyone!!

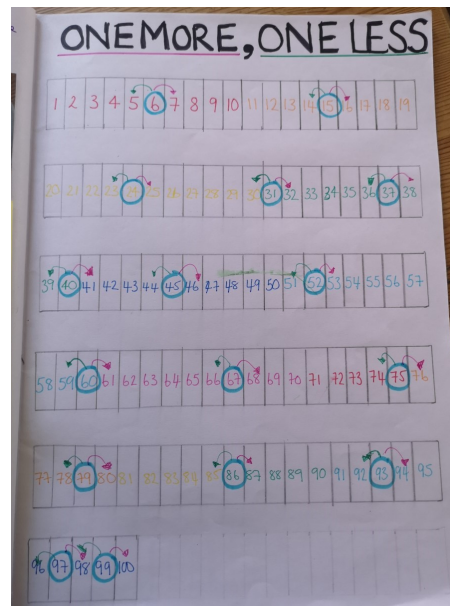

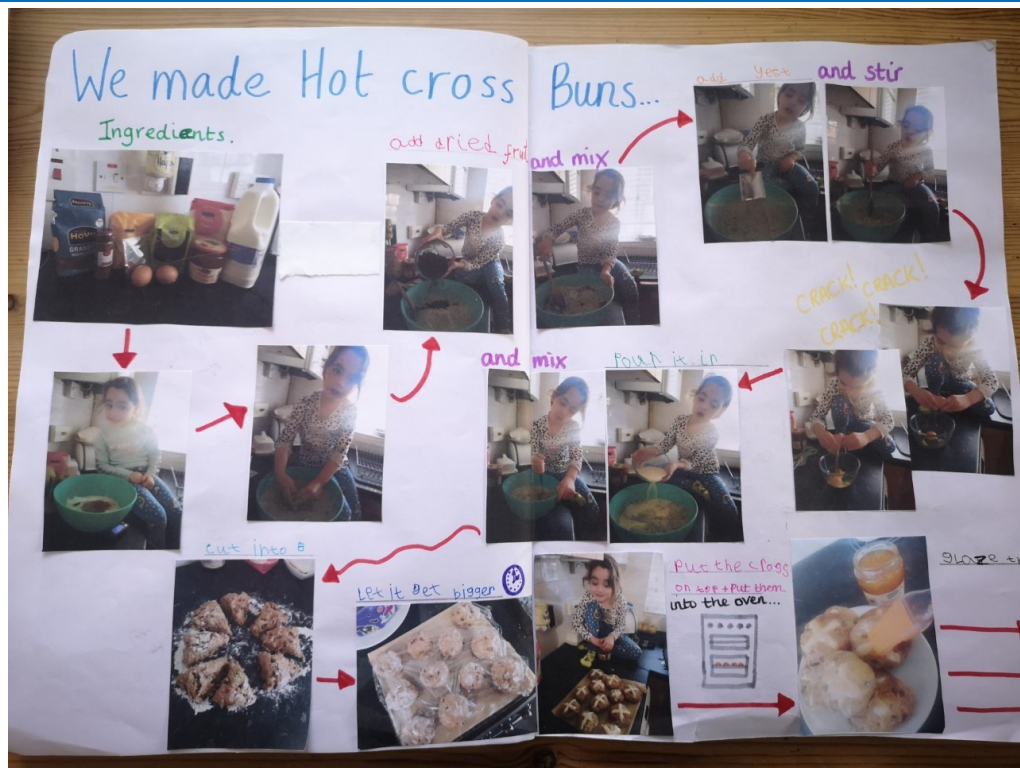

Florence has made charms and a collage of a cat using mixed media. She has also made a volcano that erupts. She collected pinecones and learned how to release the seeds by putting it on the radiator and painted her window. Wow Florence amazing work!

Ash Class

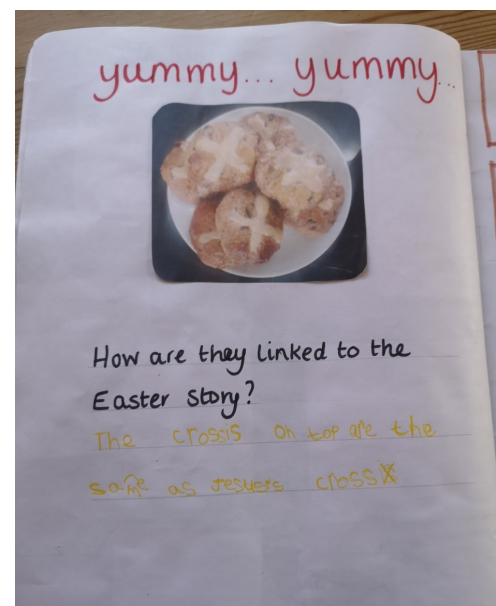

Bella has made brilliant picture instructions of how to make Hot cross buns, why they are important to the Easter Story and some great maths. Well done Bella!!

Wow Riley that is an amazing Easter Egg fort and beautifully colourful Easter sign for Miss Snooks. Well done!

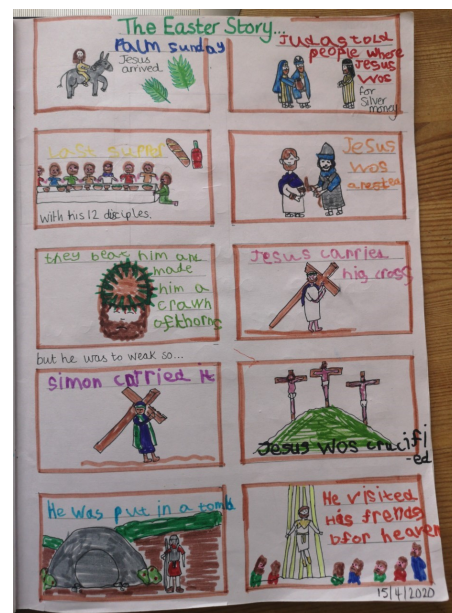

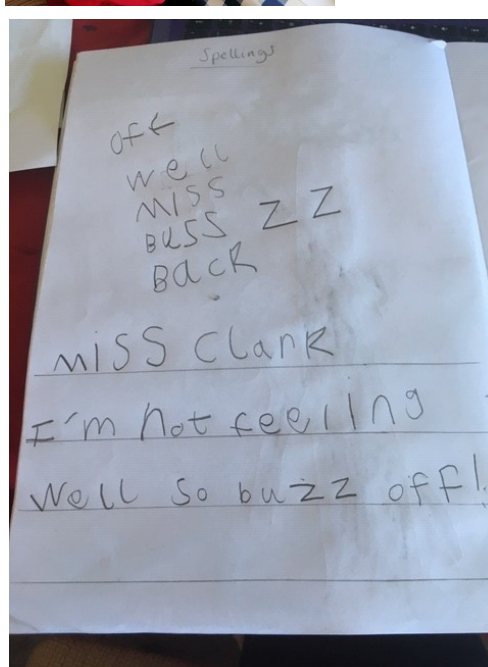

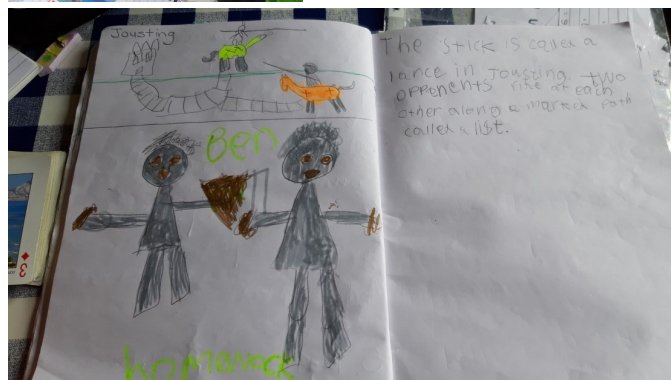

Ash Class

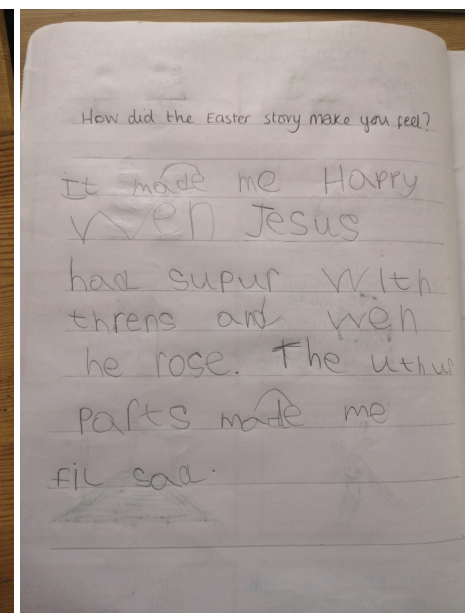

"Few things done this week Bonding number game with pack of cards making 10, jousting homework done, maths using choc eggs from Easter, science work sheet and doodle maths going well." And having fun in the pool. Great work Ben!

Bella has written a retelling of the Easter Story and how it made her feel. Very thoughtful Bella

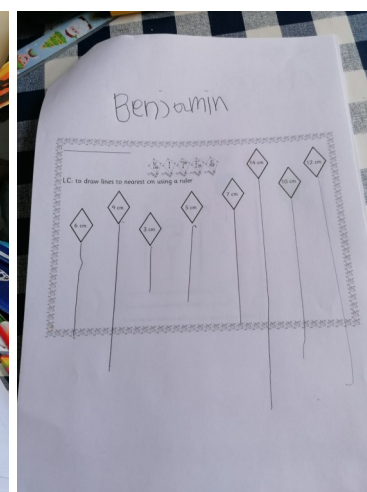

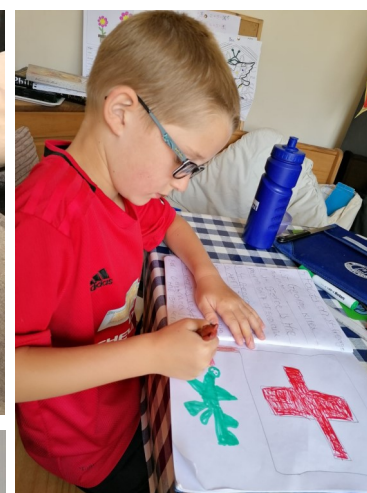

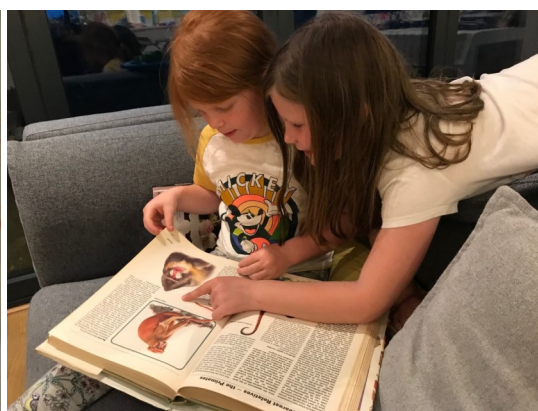

Isla has been practising her spellings and has drawn a lovely picture. Great cheeky sentence Isla

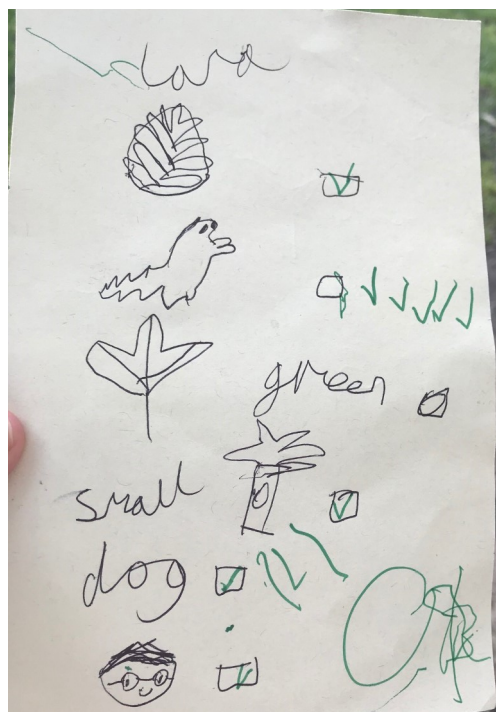

Ash Class

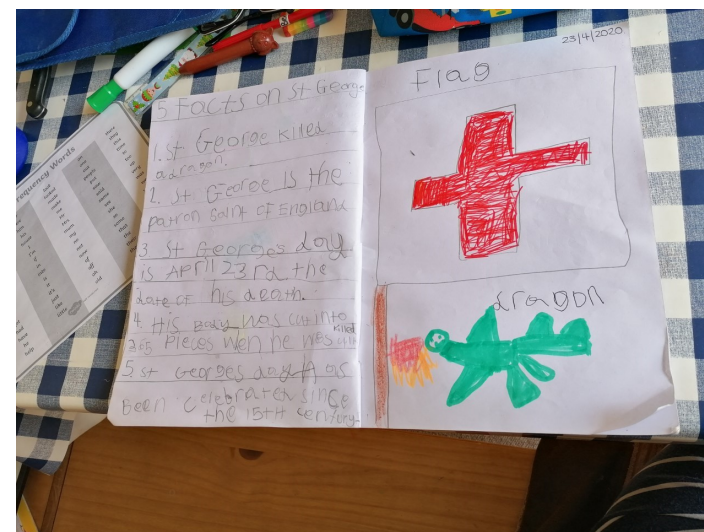

Lara has been working really hard on her writing and has designed her own dragon. She has also been looking at animals in her grandad's book and even had a visit from some of them through her mummy's phone. Great work Lara well done!

Ben has been doing some maths measurements and also learning all about St George and the Dragon. Great Work Ben!

Ash Class

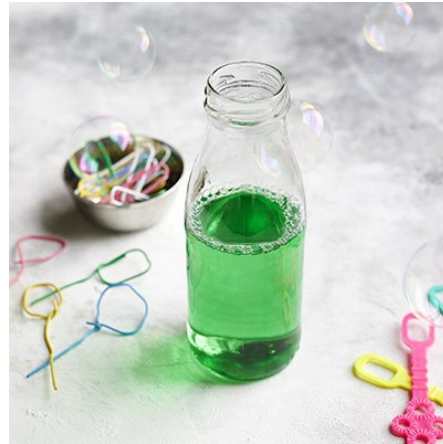

# Willow Class

Year 2

Welcome to Willow Class  
Class Teacher: Mrs Taylor  
Teaching Assistant: Mrs Vaughan

Mrs Vaughan has found a fascinating lesson about blowing bubbles and how to make weird and wacky shapes, click on the picture and see what wacky shapes you can make.

Click the link below to get a great bubble blowing soap recipe

<https://www.bbcgoodfood.com/howto/guide/how-make-bubble-mixture>

RWI—Set 2 Sounds

The challenge for this week is to find a different or unusual place to read a book in!! Maybe it could be somewhere in the garden, in a den on a swing or even in the bath!! You could wear a funny hat, your pyjamas or even a super hero costume. Email your photographs of your reading places and Mr McKaigg will put them in next week's newsletter! Be as creative as possible but most importantly have fun and keep reading.

## A message from Mrs Taylor

Hello Willow Class,

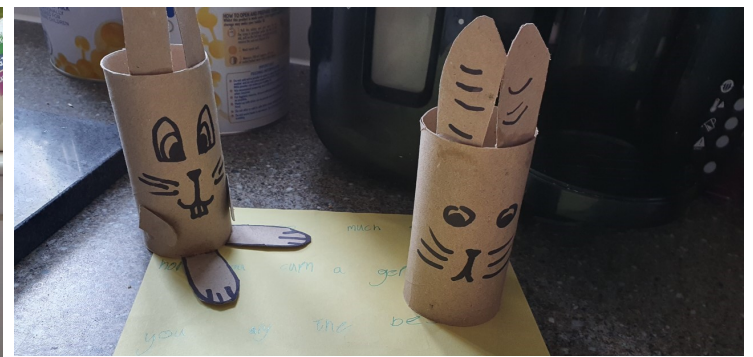

This is a very different Summer Term and it does seem such a long time since we were all together.

It has been so lovely to speak to so many of you on the phone and a BIG thank you for all the emails and photographs of your amazing work and happy smiling faces!!

Hope you are enjoying our topics-history 'Nurturing Nurses ' and the Science topic 'Growth and Survival'.

Lots of love,

Mrs Taylor and Mrs Vaughan

Miya has made an excellent bird feeder for the garden and some beautiful bunny rabbits. Well done Miya, Good job!

Theo has been working hard on his writing this week. He has also been helping to clear the garden and have fun on the trampoline. Well done!

"We had a lovely Easter break having fun mainly with daddy as I've been working lots, celebrations of Winnie's birthday, a Easter egg hunt and film time. They have been busy constructing a box into a home and working on problem solving when 2 people want to do something how to work together to get a shared outcome. They helped build the pool today and were fantastic helpers and painted rocks for their plans of a rock garden and lots of dressing up!" Sounds like loads of fun. Well done everyone!!

Willow Class

# Beech Class

Year 3/4

Welcome to Beech Class  
Class Teacher: Mrs Johnson  
Teaching Assistants: Miss Brown and Miss At-

## A message from Mrs Johnson

Hello Beech Class!

It has been lovely chatting to you over the past two weeks, and from the chats and the pictures it looks like you are all surviving if not 'thriving'!

I have been so impressed with what I have seen and heard you have been doing. I love the arts and crafts and the very informative PowerPoints - well done!

I hope that you have been able to access the learning this week that I planned for you. The next book I am going to concentrate on for our English is *George's Marvellous Medicine*, so if you have this on a shelf or under the bed, dig it out!

Your mini challenge I am setting you this week is all about books - only this time you have to work out what the books are from the emoji pictures. They are all children's books so you just have to have a good think about what you have either read or have heard about.

Have a go and email me your answers - I can't wait to see how you all get on!

Have a great weekend and I will speak to you next week.

Take care,

Mrs Johnson

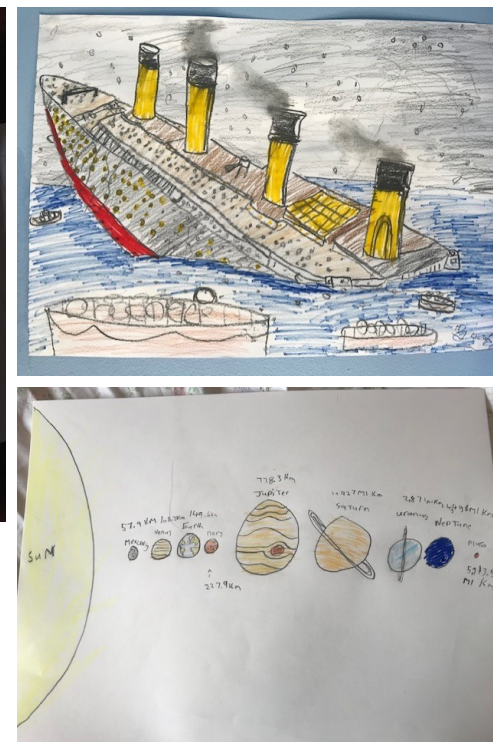

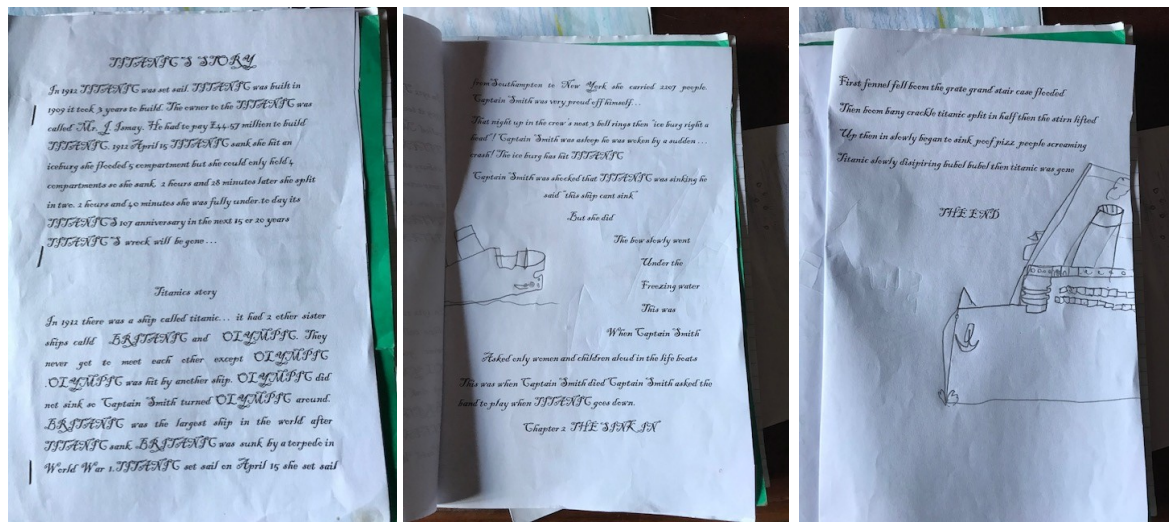

I wonder how many of these children's book titles you can work out??

Can you work out the titles of these 20 famous children's books?

## Beech Class

Matthew has been busy writing the story of Titanic, he has also done some great drawings, he has also been doing some facts about our Solar System on Earth Day, finding out their order and distance from the sun. Well done Matthew!

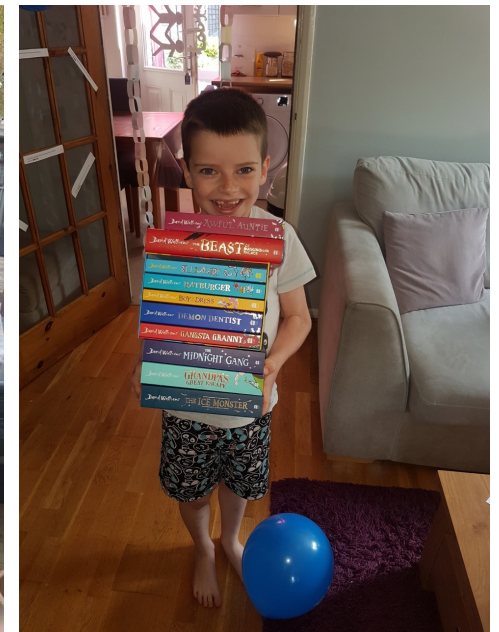

"Charlie has been watering and keeping an eye on the seeds he planted in the first week. The cucumbers, tomatoes and cabbages are doing really well!! He also found his Easter Egg in some strange places." Wow your very green fingered Charlie well done!

Yummy looking Pizzas Abi!

Noah has started to create a model of Durdle Door out of art clay. Cannot wait to see it finished Noah!

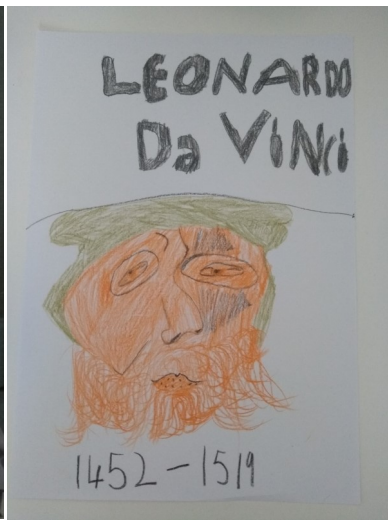

Toby and his family have been doing lots of fun activities together this week. Great model of Corfe Castle and loads of reading Toby. Well done!

Beech Class

Joseph has been busy doing some miniature brick-laying and also drawn a picture of Leonardo da Vinci who we are learning all about. Great work Joseph, what an interesting historical person to learn about!!

Mark and his brother Matthew have been working hard on lots of different practical activities like screwing screws into wood and painting. They have also come up with their own maths game using glass beads. Well done boys keep it up!!

"We spent some time resting, having fun in the garden, celebrating Winnie's 4th birthday with an egg hunt, film time with mummy when she had an afternoon off

Been swinging a lot on the door frame pull up bar we were given.

Making a house from a box with Flo working on problem solving skills when both have ideas and getting a shared outcome and been read g his book inside it and even heard him reading to Winnie.

Helping put up the pool today and hoovering his room and done some lovely written work with daddy so a nice gentle start back."

Well done Ashton keep up then good work!

Beech Class

# Chestnut Class

Year 5/6

Class Teacher: Mrs Warburton  
Teaching Assistant: Mr McKaigg

Your challenge this week Chestnut class is to try out a new skill or activity and send in your efforts.

It might be keepy uppy in football, it might be knitting, it might be woodwork; the possibilities are endless.

We look forward to seeing all your fantastic photos!!

## A message from Mrs Warburton

Dear Chestnut class

It feels like such a long time since we were all together. I have thoroughly enjoyed talking to you at home and those I haven't been able to speak to, I hope we can chat next week sometime. This time in our lives will hopefully never happen again so it's so important to remember.

I have been writing notes and doodling pictures of events because there's no way I can possibly remember it all. I suggest you do the same so that one day you can retell these memories hopefully to your grandchildren just like when you ask your grandparents about memories of the war - or even your Great Grandparents' memories.

It's important to remember the good news, the love and kindness that so many people are doing to support each other. It's also important to write down your worries - any thoughts really - and your hopes and dreams of when this is all over.

I hope some of you have started a dreams jar and put in your dreams of when this is all over. I want to make a sandcastle and jump in the waves and climb a mountain and hug my daughter and run on the school field with you all and see your smiling faces and hear you all laugh.....What are yours?

Please keep emailing us your wonderful photos of your super work and all the fun things and new games you are making up at home.

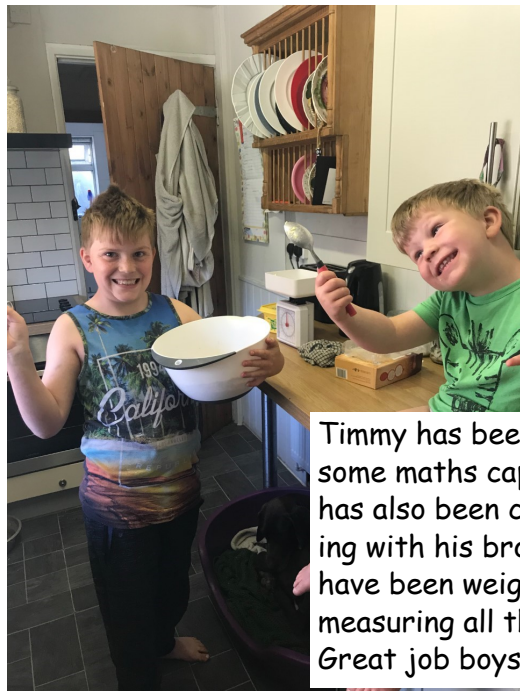

Well done to Matilda who set up a camera and recorded badgers in the woods near her home. And well done for doing 500 flips! I was impressed with Timmy and how he's sharing his capacity work with Basil in the kitchen.

It must be so nice for Coral to have Bayleigh at home for so long and you look like you all did lots of fun Easter activities. I hope you're all keeping fit. I've tried Joe Wicks but he's worn me out so I'm on Day 14 with Yoga and I'm getting fitter riding my bike. I have even managed to download a Maths video on you tube with Mr McKaigg's help - have a go at it next week.

Have a lovely weekend and let us know if we can help you with any work or worries by email.

Keep smiling  
Mrs Warburton

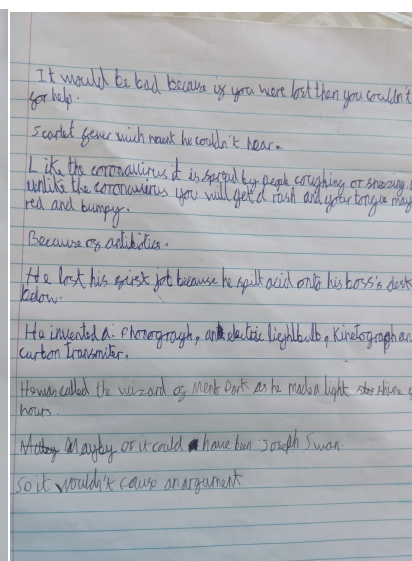

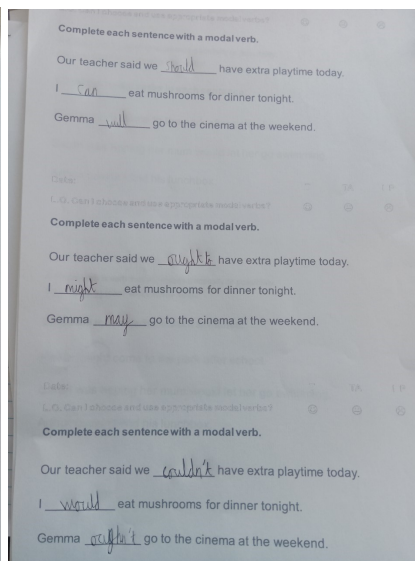

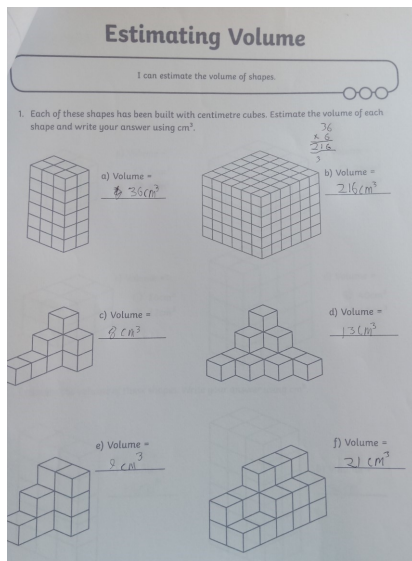

Timmy has been getting up to some maths capacity work. He has also been cooking and baking with his brother Basil, they have been weighing out and measuring all the ingredients. Great job boys!!

"Matilda has been busy over the holidays. She has made some bird houses as Emma's challenge. Also, she challenged herself to doing 25 consecutive flips on the trampoline but just carried on and ended up doing 500! She also has planted some seeds and been on an Easter egg hunt in our local woods.

We also set up our wildlife camera outside a local badger set and got some fab shots!"

Wow great perseverance Matilda

Elliot has done brilliant volume work, adding modal verbs and answering questions. Well done Elliot!!

Chestnut Class

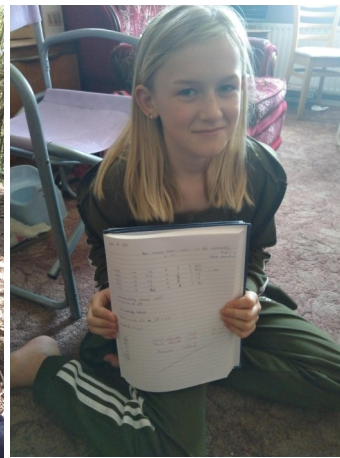

53°F 2020/04/06 03:44:17

Coral and her family have been doing loads of fun activities together this week. Great model of a river Coral (very accurate) and beautiful flower box Well done!

"The keyboard is a new favourite I did take a video but it won't let me upload. Ttrs, doodle maths and extra reading we are doing everyday. Also a good old fashioned times table test she's on 7mins for 150 questions." Great work Lara, piano is a great skill to learn!

Tyler has been working really hard on his SPAG and Capacity in Maths, He and his mum have also painted a large paint by numbers together, of an elephant. Great work Tyler Well done!

Chestnut Class

# Wellbeing Page

Things I wish I'd heard/felt as a child  
and so now I say to my adult self:

It's okay to make noise and be messy.

Emotions are information from your body, not good or bad.

It's okay if you don't want to. You get to say "no".

It's okay to do something differently.

Just being yourself is always enough.

You are never too much.

Take all the time you need.

How does your body feel about that?

Your imagination and creativity is magic. Share it with me.

Truth is a feeling. You don't need to accept what doesn't feel right.

Be big and bright. Take all the space you need.

TUTU MORA  
@Tutu Mora

I will teach you in a house  
I will teach you with my mouse  
I will teach you here or there  
I will teach because I care ❤️

We all want to keep our students safe, and we will get through this together.

Dear pupils and parents of Wool Primary,

I have been doing lots of wondering lately. I have been wondering how you all are, what fun and relaxed things you have been up to, but beyond our school I have been looking up in our night sky and doing lots of wondering. The sky has been so clear and I have seen some amazing sights. I have watched and wondered about the very bright planet we can see at the moment...yes that's right it's Venus. It's so dazzling! I was lucky to track a line of satellites move across the sky, watch a few meteorites zoom through space and best of all have time just to be still and gaze at the stars. The stars are so twinkly at the moment and I wonder if they are healing the planet? Perhaps you could spend some time star gazing or if it is past your bedtime you could go on BBC bitesize and find out about space there.

Stay safe

## A message from Emma

Hello everyone

I hope that you are all doing well and managing to get some outside time...

This week I would love for you to check out the Birds of Poole Harbour LIVE Osprey cam, it is in a secret place not too far from us. It can be found by following this link <https://www.youtube.com/watch?v=OTIe41ZvtS4>

From 10-11 Monday to Friday there is a question and answer session, check at home and perhaps you could ask the experts a question?

Let me know what you find out about the amazing Osprey!
